SCHOLARSHIP AND FELLOWSHIP SUPPORT CELL

NEWSLETTER

Vol. 2, Issue 1

Academic Year 2023-24

➤➤➤ About Us

The Scholarship and Fellowship Support Cell, established in 2020 under the Office of Registrar, plays a vital role in facilitating scholarships and fellowships for students. The Cell is managed by a Coordinator with support from staff of the Office of Grant-in-Aid, Office of Alumni Engagement, Office of Accounts and Office of Registrar.

The Cell regularly updates students on scholarship and fellowship opportunities through email. It provides end-to-end support by disseminating information on scholarship and fellowship opportunities, guiding students through the application process, processing the applications, scholarship and fellowship grant disbursal, liaising with Government departments and Scholarship Grant Foundations, and resolution of issues.

The Cell also oversees applications submitted through Government platforms like the National Scholarship Portal (NSP), State Scholarship Portals (SSP) of various states, Karnataka Labour Welfare Board, e-Kalyan Jharkhand, Mukhyamantri Nishchay Swayam Sahayatha Bhata Yojna (MNSSBY) Bihar, and West Bengal Student Credit Card Scheme (WBSCC), ensuring timely approvals in coordination with relevant offices.

➤➤➤ Christ Scholarship and Fellowship Schemes

To encourage and reward outstanding academic and extracurricular performance, and to support students from diverse socio-economic backgrounds in accessing quality holistic higher education, CHRIST (Deemed to be University) offers institutional scholarships and free ships. Scholarships are typically awarded to final-year or final-semester undergraduate and postgraduate students based on their cumulative academic performance in the previous year or semesters. However, students from other years or semesters may also be considered on a case-by-case basis, based on their application and supporting documents. The university also provides fee concessions and installment options for eligible students. New scholarships may be introduced depending on current needs.

Students wishing to apply for these benefits must submit an application in the prescribed format to their Head of Department. The Head, after reviewing the applicant's academic performance and financial background, forwards the application to the Dean of the School, who then submits it to the Scholarship/Free Ship Award Committee. The committee's recommendations are sent to the Registrar for final approval.

CHRIST (Deemed to be University) is committed to supporting our students in every way possible to access quality education and enable a motivating environment for achieving academic excellence. In alignment with this commitment, the Office of Registrar established the Scholarship and Fellowship Support Cell in 2020. The Cell is a single point for identifying scholarship and fellowship opportunities, dissemination of information to students, supporting and guiding them in the application, liaising with the organisations and Government departments providing Scholarships and fellowships. The goal of the Cell is to facilitate maximum beneficiaries of Scholarships and Fellowship Cell thereby ensuring all deserving students benefit.

The work of the Cell since then has resulted in a remarkable increase in the number of scholarship and fellowship beneficiaries among students since 2020. In the academic year 2023-24, 14003 students received scholarships. Of this 13660 were from the University and 343 from organizations from outside the University.

We thank the University Leadership, faculty members and staff who support the activities of the Cell and contribute to its goal.

We request faculty, staff, students and parents, alumni/ae and all those interested in shaping the future of society through education, to share information about the scholarship and fellowship opportunities available to our students.

Hana Nanum Foundation

2023 Hana Scholarship Awarding Ceremony

The "2023 Hana Scholarship Awarding Ceremony," a noteworthy occasion organised by the Scholarship and Fellowship Support Cell in collaboration with the Centre for Korean Studies, took place at Christ University, Bangalore central campus on December 11, 2023. The university's dedication to promoting academic excellence and international cooperation reached a new height with this occasion. The Vice Chancellor, Dr. Fr. Joseph C C, opened the ceremony, which was honoured by the presence of Mr. Dae Ki Hong, CEO of Hana Bank in Chennai, as a special guest.

Mr. Dae Ki Hong awarded the prestigious Hana Nanum Foundation-Hana Bank Chennai-Korea Scholarship to twenty worthy students during the ceremony.

On November 21, 2023, a scholarship orientation session was organized for postgraduate students, featuring distinguished guest **Dr. Alex P. Joseph, Director of IQAC** and addressed the students, emphasizing the importance of scholarships and encouraging them to seize the opportunities available to them.

The session also featured an insightful presentation by **Ms. Amanpreeth Kaur Walia, Manager of Outreach and Engagement at Reliance Foundation**. Ms. Kaur introduced the Reliance Foundation PG Scholarship, designed to support postgraduate students in their academic journeys. This prestigious scholarship, funded by the Reliance Foundation, aims to nurture up to 100 future leaders by providing substantial financial assistance in fields such as computer science, artificial intelligence, engineering, biological sciences, and renewable energy.

For the academic year 2023-24, six undergraduate and four postgraduate students have already benefited from this scholarship. In addition to financial support, the scholarship program fosters holistic development through access to expert mentors, soft skills training, internships, hackathons, and volunteer opportunities.

Ms. Kaur's presentation highlighted the transformative impact of the Reliance Foundation PG Scholarship on students' academic and professional growth, offering a pathway to success for many promising scholars.
